OFFICE OF PETITIONS

ON PETITION

In re Application of :
Junaid ISLAM et al. :
Application No. 09/679,321 :
Filed: October 3,2000 :
Attorney Docket No. 25987-701 :

This is a decision on petition under 37 CFR 1.137(b), filed December 16, 2005, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to reply in a timely manner to the non-final Office action mailed on November 20, 2003, which set a shortened statutory period for reply of three (3) months. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the application became abandoned, by operation of law, on February 21, 2004.

The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) a reply in the form of the argument and amendment under 37 CFR 1.111; (2) the petition fee of \$750; and (3) the required statement of unintentional delay have been received. Accordingly, the reply to the non-final Office Action of November 20, 2003 is accepted as having been unintentionally delayed.

The file does not indicate a change of address has been submitted, although the address associated with the aforementioned customer number differs from the address of record. If appropriate, a change of address should be filed in accordance with MPEP 601.03. A courtesy copy of this decision is being mailed to the address provided on the petition; however, the Office will mail all future correspondence solely to the address of record.

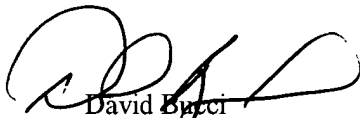

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that the delay in paying the maintenance fee under 37 CFR 1.378(c) was intentional, petitioner must notify the Office.

Application No. 09/679,321

There is no indication that the person signing the petition was ever given a power of attorney or authorization of agent to prosecute the application. If the person signing the petition desires to receive future correspondence regarding this application, the appropriate power of attorney or authorization of agent must be submitted. All future correspondence will be directed to the address currently of record until appropriate instructions are received.

Telephone inquiries concerning this decision should be directed to Anatoly Vortman at (571) 272-6051, or in his absence to the undersigned at (571) 272-7099.

The application file is being referred to Technology Center AU 2144 for appropriate action on the concurrently filed amendment.
